MOTORMAN

Rejoices Because Stork Leaves Bouncing Baby at His Home.

Garry Allen, the popular motorman on the Broad Oaks car of the Monongahela Valley Traction Company, was unable to work his usual run Tuesday and Wednesday as he was taking a day off to celebrate the arrival of a new girl at his home. The stork paid the Allen home a visit early Tuesday morning and left a fine ten-pound baby girl. Garry's many friends hope he will soon recover and be able to resume his work. Mother and babe are getting along nicely.

KNOCKS HAY FEVER CLEARS THE HEAD STOPS CATARRH

This Pleasant, Antiseptic, Cleansing Heating Balm is Having Great Success Everywhere.

Here is a new Catarrh and Hay Fever remedy recently perfected and put on the market that all should investigate. It is known as the Nostriola treatment and all druggists have it for their customers.

Nostriola is an antiseptic, cleansing, heating balm, quickly opens the head and clears the nose, inflamed linings of the air passages. It also strengthens them so they can resist attack, and usually hay fever can be avoided entirely if the Nostriola treatment is started in time and kept up faithfully until the hay fever season is over.

Nostriola costs but a trifle—35 cents for a large tube containing sixty days' treatment and you should keep a tube handy to use for Colds, Catarrh, Croup and all diseases and stoppages of the air passages.

Get a tube of your druggist today and you will wish you had tried Nostriola sooner.
